

JANUARY TO JUNE 2019

 SCHOLASTIC

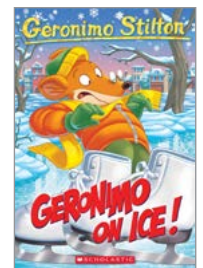

Dear Scholastic Partners,

Welcome to our January to June 2019 Catalog packed with an amazing selection of brand new trade titles as well as some of our hottest backlist. Do not hesitate to get in touch with one of our wonderful team of Sales Representatives if you are in need of further guidance or support. You'll find them on pages 47 and 48.

I have picked out a few of my personal favorites from our upcoming new titles that I think you'll want to keep an eye on:

**Dog Man: Brawl of the Wild** (page 2): It is quite remarkable that a series hardly two and a half years old can boast 13 million copies in print, yet this is what Dav Pilkey and his latest creation Dog Man have achieved. Don't miss this sixth installment of the global bestseller.

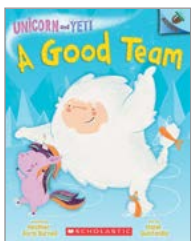

**Geronimo on Ice** (page 4): Geronimo Stilton continues to be our top selling series in International Export markets, and I am delighted to introduce a fabulous new cover look for our favorite mouse journalist's 71st adventure.

**Share Your Smile** (page 6): Raina Telgemeier's awesome graphic novels are firm favorites with our international customers but have you ever thought about telling your own story? Are you interested in writing, drawing, or both? This fun, colorful, and interactive journal is for you!

**Calling All Witches!** (page 10): Our Harry Potter Wizarding World titles go from strength to strength. For all the girls as clever as Hermione Granger, as dedicated as Tina Goldstein, and as fierce as Minerva McGonagall, this incredible compendium is packed with the stories of Harry Potter and Fantastic Beasts' extraordinary heroines!

**Acorn Readers** (page 14): Following in the footsteps of the success of Scholastic's Branches readers series, I am proud to introduce a brand new reader line dedicated to children aged 4 to 6. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost reading confidence and fluency. Acorn books plant a love of reading and help readers grow!

I hope you and your customers continue to enjoy Scholastic's publishing. Do not hesitate to get in touch with any questions or for further information.

Happy buying 😊
