# Book Fairs

## DEAR SCHOLASTIC PARTNER,

Welcome to Scholastic's NEW Book Fairs Catalog!

With more than 90 years of experience supporting children's learning, today Scholastic remains committed to promoting the importance and value of reading for success in school and in life. We are thrilled to be partnering with you to bring a wide variety of books, collections, and teaching materials through Scholastic Book Fairs to students and teachers around the globe.

Our Book Fairs Catalog features the following:

- **Paperbacks** — Inspire a love of reading with best selling titles, audio books, graphic novels, leveled readers, popular series, and more!
- **Collections** — Enhance your classroom library with Scholastic collections including a broad mix of genres, fiction and nonfiction titles, multicultural books, and more.
- **Novelty & Interactive Books** — Motivate young learners with stickers, glitter, touch-and-feel, lift-the-flap, paper airplanes, arts and crafts activities, and more!
- **Scholastic Discover More** — Engage students with these nonfiction titles filled with up-to-date information, fascinating facts, and eye-popping graphics — now available in English and in Spanish.
- **Early Learning Resources** — Help students build a strong foundation in basic literacy and math skills with Big Books, early readers, and learning manipulatives.
- **Reference Titles** — Start readers off with the best tools for building vocabulary, grammar, and research skills.
- **Workbooks** — Make learning accessible and enjoyable with a wide variety of workbooks series to help build key reading, vocabulary, grammar, and writing skills.
- **Teaching Resources & Professional Development Books** — Utilize innovative, practical resources to manage the classroom, plan lessons, and improve classroom instruction.

An exciting celebration of books is just the spark needed to rally kids and families throughout the world around reading. That's what Book Fairs are all about! Let's work together to ensure all children learn to read and love to read.

Sincerely,

Anne Boynton-Trigg

# Book Fairs

## Welcome!

Whether you are experienced at running Book Fairs or about to host your very first event, Scholastic can provide you with the support and resources you need for a successful Book Fair.

Follow these three steps to set up your Scholastic Book Fair:

**Step 1:** Contact your sales representative or local distributor to schedule a Book Fair and to receive a Book Fair organizing kit, including Book Fair planner, folder, directional arrows, posters, and goal chart.

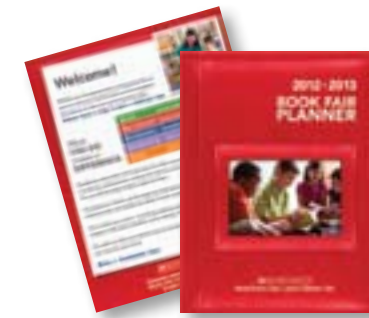

**Step 2:** Order Your Books.

- Utilize the Book Fair Catalog found on the Scholastic website to review the selection of paperbacks, collections, novelty titles, reference books, workbooks, and teaching resources for your Book Fair.
- Select titles and quantities with the Book Fair Order Form found on the Scholastic website to make your selections.
- Email your order to your sales representative or distributor.

**Step 3:** Plan and Promote Your Book Fair.

- Refer to the Book Fair planner and downloadable resources to develop creative ways to promote your fair. Go to [www.scholastic.com](http://www.scholastic.com) to download these resources.

## Enjoy your Book Fair!

## Engaging science print and digital books.

# Scholastic Discover More™

Scholastic Discover More presents engaging science nonfiction titles filled with up-to-date information, fascinating facts, and eye-popping graphics. The program features print and digital books wholly global in their subject matter and contents. Stranded by age and ability, each title is designed to inform, entertain, and give children key skills in their journey as lifelong learners.

### Discover More Features:

- **Signature graphic design:** Photography, illustration, and text are combined in a fresh and dynamic signature look.
- **Accurate and authoritative:** Expert authors, academics, and organizations provide the most up-to-date information and context.
- **Instantly conveys what's important:** Book pages are designed as an information hierarchy so you can find what you need, fast.
- **Free digital book:** The digital companion books in each strand have all-new information and pictures.
- **Encourages active learning:** Kids become mini-scientists and explorers as they engage in cause and effect, sequence, prediction, and challenge the facts.

## New & Featured Series

History is broken, and three kids must travel back in time to set it right.

**New!**

Told in seven books and seven interactive game episodes, *Infinity Ring* invites readers to travel back in time to fix the Great Breaks, moments in history that have gone horribly wrong. The adventure combines books, a fully immersive game experience, and collectible Hystorian's Guides that provides the information they need to set history back on course.

### Book 1: A Mutiny in Time

When best friends Dak Smyth and Sera Froste stumble upon the secret of time travel—a hand-held device known as the Infinity Ring—they're swept up in a centuries-long secret war for the fate of mankind.

IVW978-0-545-38696-8 \$12.99

### Book 2: Divide and Conquer

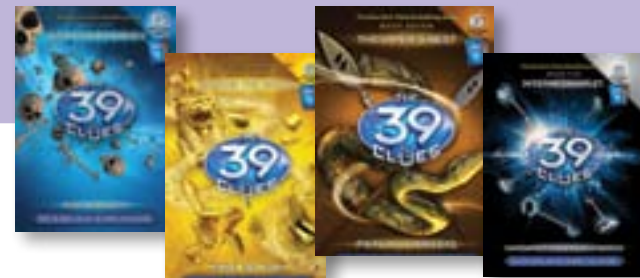

Hundreds of ships carrying thousands of Viking warriors are attacking medieval Paris. The Parisians are fighting back, but they can only hold out for so long.

IVW978-0-545-47395-8 \$12.99

## Engaging research companions.

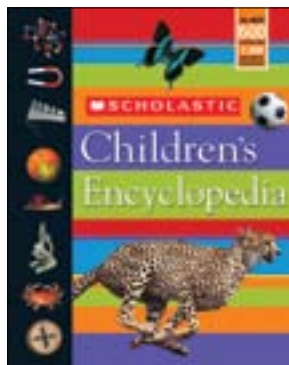

# Encyclopedia & Thesauruses

### Scholastic Children's Encyclopedia

Ages 9–12

The **Scholastic Children's Encyclopedia** is the ultimate research tool for kids 9–12. With more than 600 entries ranging from Aircraft to the Respiratory System to Walt Whitman, this book will serve as an indispensable reference for students. The comprehensive, but completely child-friendly structure allows young researchers to find the information they are seeking quickly and easily, and leads them to even more through "See Also" boxes and cross references.

IVW978-0-439-43816-2 \$24.99

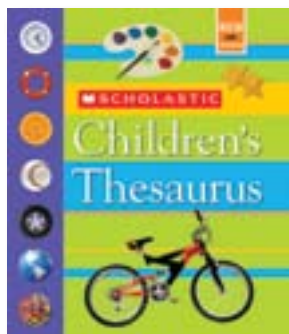

### Scholastic Children's Thesaurus

Ages 8–14

The revised **Scholastic Children's Thesaurus** contains more than 500 alphabetical headword entries and 2,500 synonyms that have been specifically designed to best help beginning writers. Each headword has been carefully selected and includes the part of speech, definition, and an example sentence. Synonyms following each headword are also defined and followed by a sample sentence.

IVW978-0-439-79831-0 \$16.99

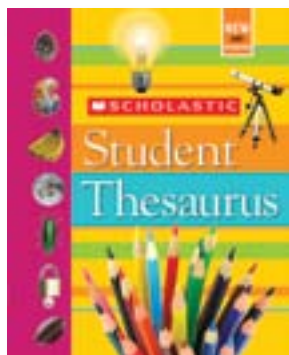

### Scholastic Student Thesaurus

Ages 11–18

Revised and updated, the **Scholastic Student Thesaurus** was created for the many kids who get frustrated when they try to use a thesaurus. If they look up a word and "it's not there," many students will give up rather than turn to the index in the back of their book to redirect their search. The **Scholastic Student Thesaurus's** innovative same-page index solves this problem. In addition, the new edition features four brand-new pages of backmatter about language and how words evolve.

## Enhance English language learning skills with these grammar resources!

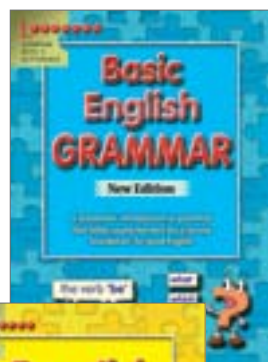

# New! Grammar Resources

### Basic English Grammar

Elementary Level: Ages 6 & UP

The first in this four-level grammar series is designed to help students master the essential rules of English grammar. The book is intended for young learners aged between 6 and 8 in countries where English is taught as a first language or by older children where English is taught as a second or foreign language. Topics covered include determiners, verbs, nouns, tenses, prepositions, conjunctions, and punctuation. Exercises are included after each topic for students to check their understanding.

IVW978-981-4237-23-9  
\$12.99

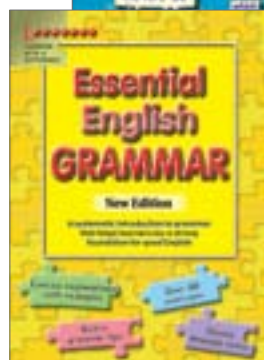

### Essential English Grammar

Intermediate Level:  
Ages 8 & UP

The second title in this leveled grammar series presents the core grammatical concepts that every student needs to know. These 13 concepts, ranging from modal verbs to tenses, are broken down into manageable-size units. Concise explanations are fully supported by examples and readers' notes and over 80 exercises are included to help students consolidate what they have learned.

IVW978-981-4237-25-3 \$10.99

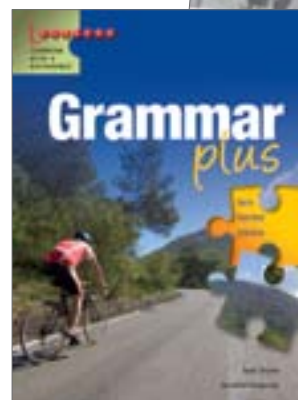

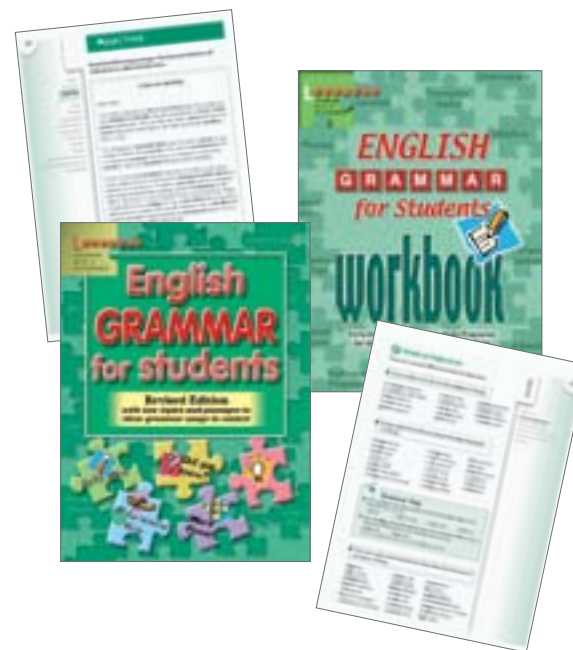

### English Grammar for Students and English Grammar for Students Workbook

Upper Intermediate Level: Ages 10 & UP

Building upon the grammatical rules that students have learned in the first two titles of this grammar book series, *English Grammar for Students* can be used as an independent grammar text or as a complement to other English coursebooks. The supporting workbook features 40 exercises for students to put what they have learned into practice.

**English Grammar for Students**  
IVW978-981-4147-30-9 \$12.99

**English Grammar for Students Workbook**  
IVW978-981-4070-07-2 \$8.99

### Grammar Plus

Advanced Level: Ages 12 & UP

A comprehensive course in advanced English grammar for students aged 12 to 15 in countries where English is taught as a first language or for advanced learners in countries where English is taught as a second or foreign language. More challenging topics, such as the changes required in turning direct speech into indirect speech, are broken down into separate steps to make the information easier to assimilate. Each unit ends with a "Practice" section containing a variety of exercises to test what has been learned.

IVW978-981-4237-70-3 \$16.99

### Grammar in Action

Ages 10 & UP

Engage English language learners with this highly visual, instructional resource series packed with key grammar topics ranging from adverbial clauses to relative pronouns. The series allows for progressive learning with more complex topics like quantifiers and verb agreement addressed in more than one title. A key distinguishing feature of this series is that each grammar point is supported by a page of fun comic-strip-style graphics to demonstrate its use in context.

**Grammar in Action 1** IVW978-981-4333-37-5 \$8.99  
**Grammar in Action 2** IVW978-981-4333-38-2 \$8.99

### Active Grammar

Ages 6 & UP

The *Active Grammar* series provides a colorful and contextualized approach to English grammar learning at a primary level. Clearly defined grammar topics ranging from nouns to adverbs are introduced through dynamic dialogue, rhymes, or stories with students' learning facilitated by reference to relevant parts of the text. The concepts presented are reinforced through a variety of interesting exercises.

**Active Grammar 1** IVW978-981-4151-32-0 \$9.99  
**Active Grammar 2** IVW978-981-4151-33-7 \$9.99

### Grammar Skills

Ages 6 & UP

*Grammar Skills* is a progressive English grammar workbook series for young language learners. Topics assessed grow in complexity as the series develops, ranging from the alphabet and common nouns to conditional sentences and modal verbs. Each title contains a variety of fun exercises on up to 20 key grammar themes to establish a strong foundation in English.

**Helping students to write confidently and fluently.**

**New! Writing Resources**

Build basic writing skills with *Sentences to Paragraphs*, followed by more in-depth writing practice with *Picture Composition*.

**Sentences to Paragraphs**

**Ages 7–9**

This workbook series teaches the key writing skills of sentence and paragraph construction. Starting with the simple sentence, the books progress in easy and graded steps through the various types of sentences and their parts, expanding sentences with adjectives and adverbs, linking sentences with conjunctions, and combining sentences into paragraphs. Each book provides 10 clear, concise units with graded exercises for practice. Answers appear at the end of each book.

**Picture Composition**

**Ages 7–9**

With the *Picture Composition* series, primary students develop writing, oral, and cognitive skills by using pictures of everyday themes to develop compositions. Each book consists of 40 composition topics arranged according to five broad themes: at school, accidents and unpleasant events, trips and outings, special people, and special occasions. Each theme starts with a picture and a model composition to help students deal with similar topics with confidence. A writing frame is available for each topic to help students plan their compositions before attempting to write them. Model answers are provided for all the compositions at the end of the book for students' reference.
