

# Wash, Wash, Wash Your Hands!

## Verse

1. If you use your hands to catch a sneeze or dig in - to a pile of worms,  
 Then make sure you wash them, please. Your hands might be cov - ered in germs!

## Chorus

So just wash, wash, wash your hands. Twen - ty sec - onds is all it takes. Just  
 wash, wash, wash your hands. What a differ - ence to your health it makes!

### Verse 2

Before you eat and after you blow your nose,  
 just try to remember this song!  
 Don't just wipe your hands on your clothes.  
 Wash your hands. It doesn't take long!

### Chorus

### Verse 3

First you wet both hands plenty.  
 Then you lather up with soap.  
 Next you start to count to twenty.  
 Lather, lather, go, go, gooooo!

1, 2, fast-forward now!  
 18, 19, 20!

(Instrumental)

### Verse 4

After using the bathroom, stop and think.  
 Remember this simple trick.  
 Twenty seconds hand washing at the sink  
 can help keep you from getting sick.

### Chorus

1, 2, 3, 4, 5, 6, 7, 8, 9, 10,  
 11, 12, 13, 14, 15, 16, 17, 18, 19, 20!
