

My daddy ate an apple,
an apple, an apple.

My daddy ate an apple
with a green worm inside.

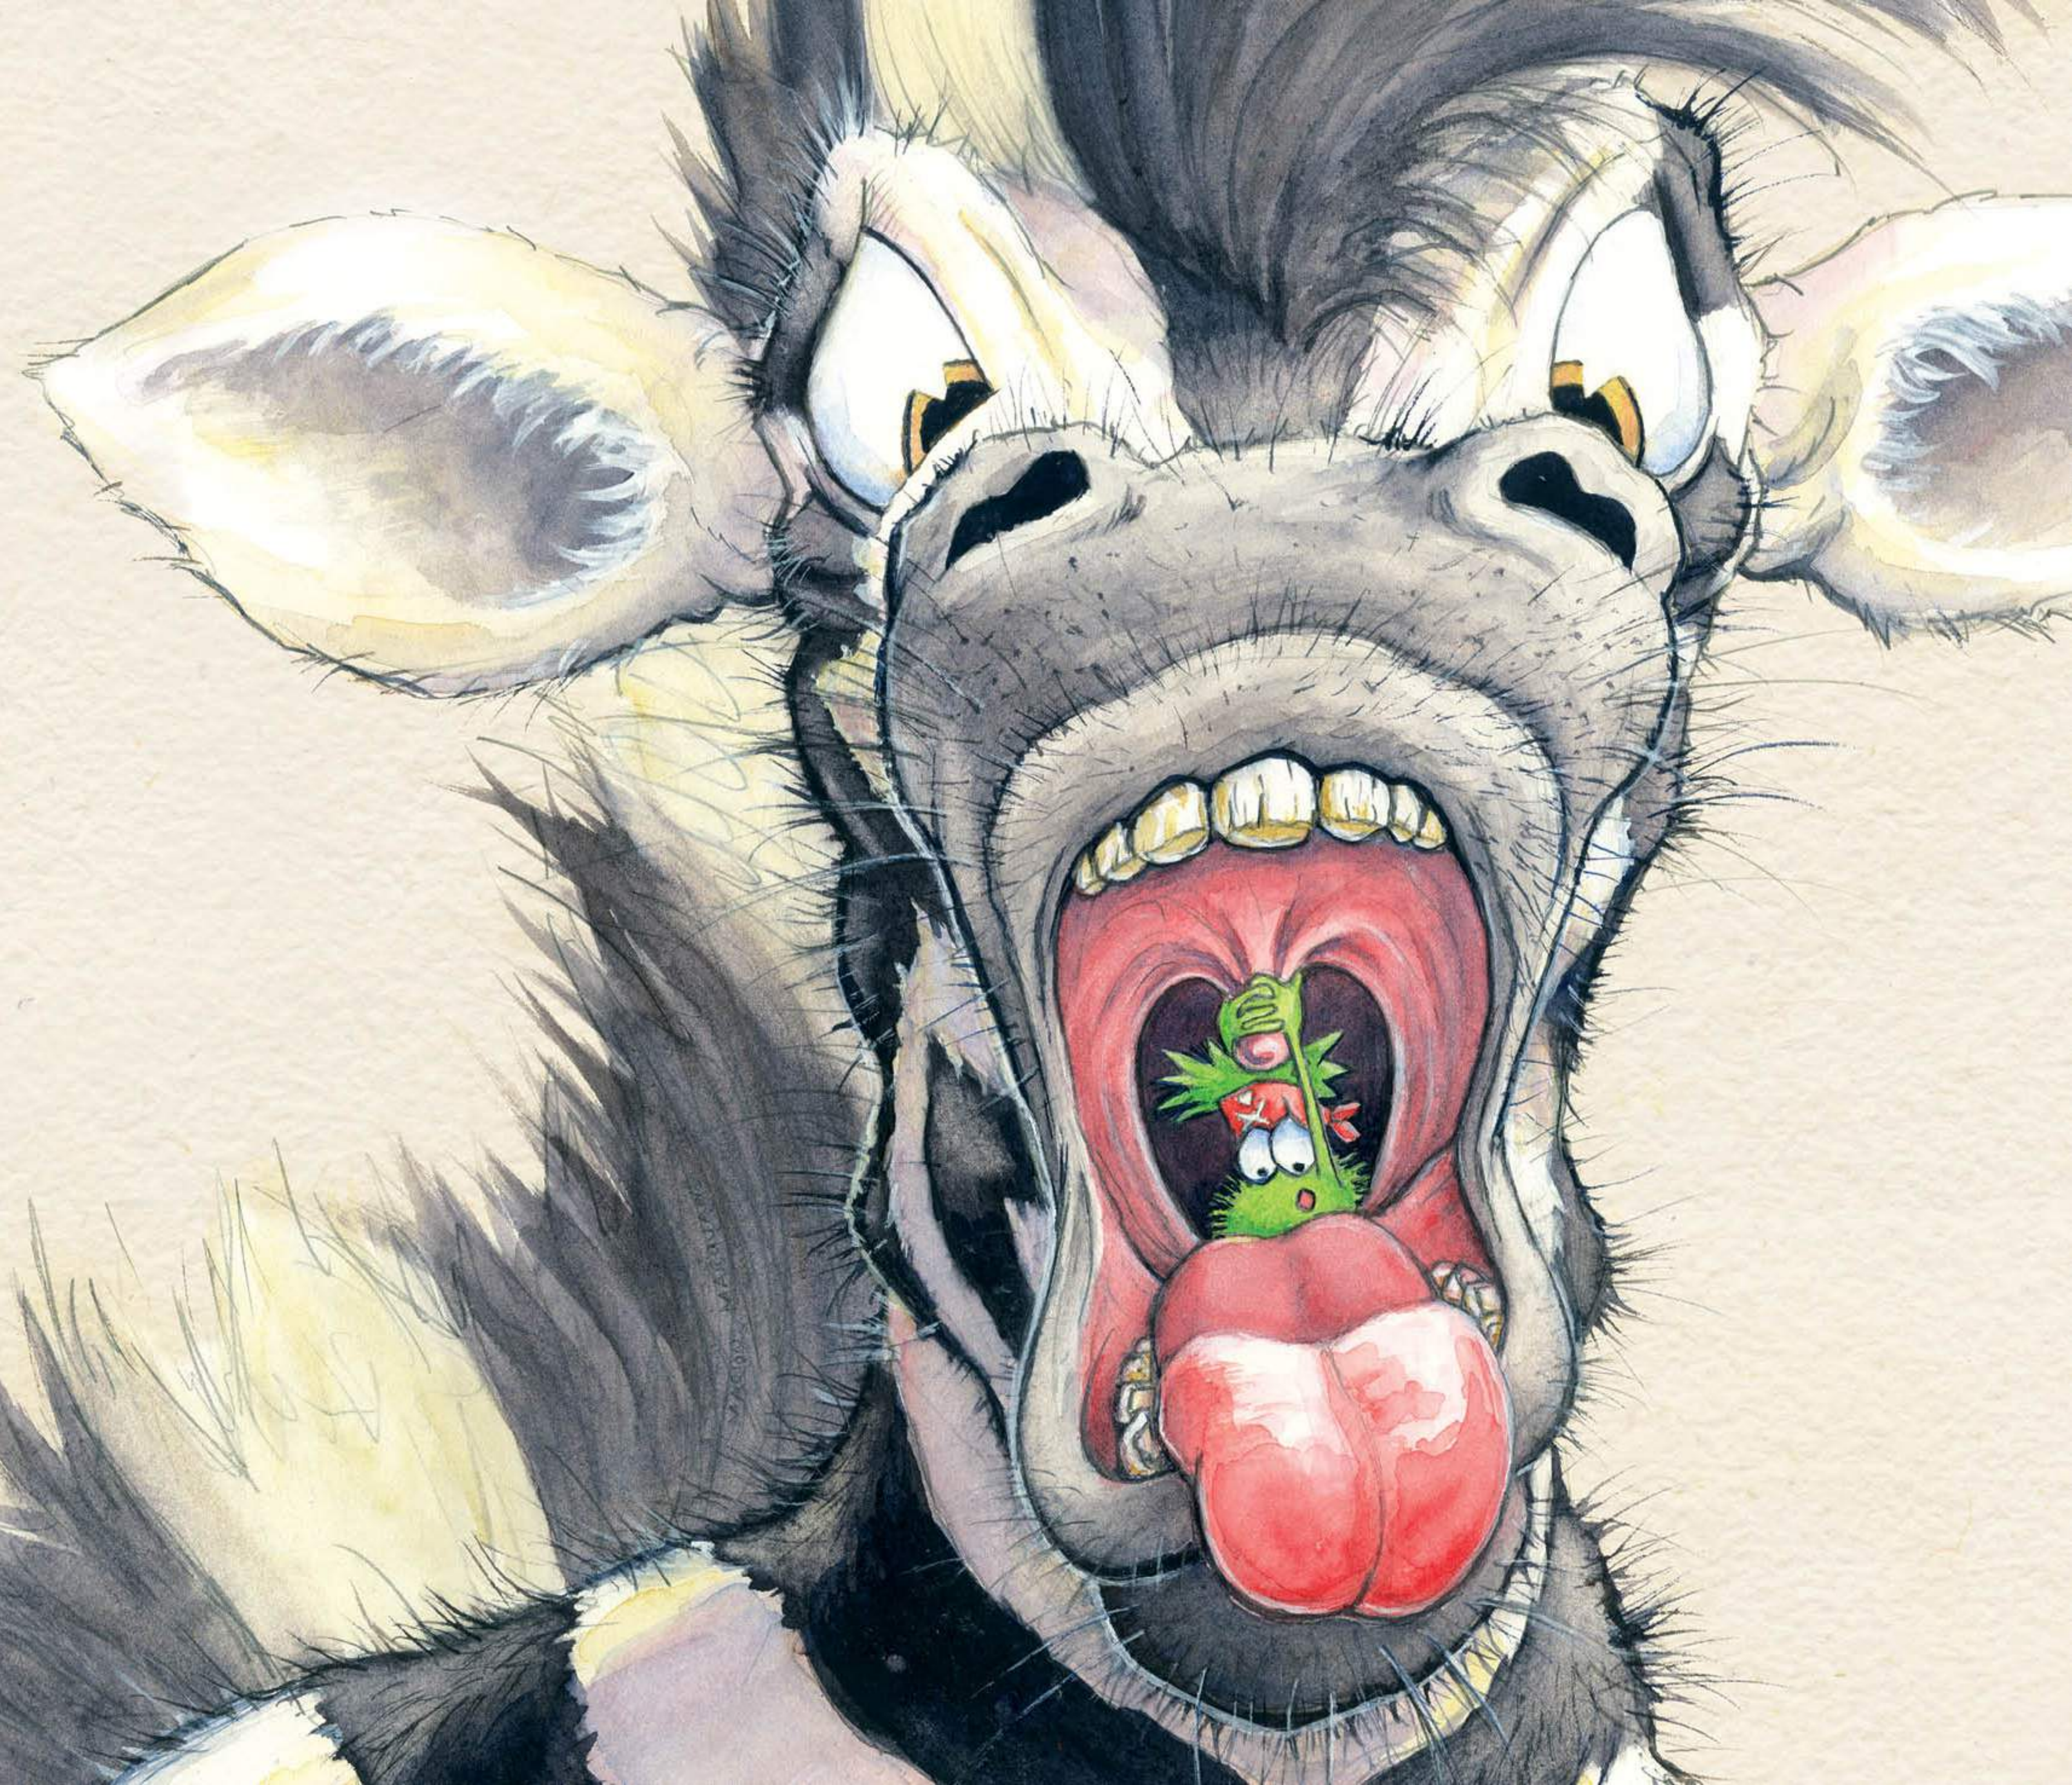

It was a **fuzzy** one, a **buzzy** one,
a **great big fat juicy** one.

My daddy ate an apple
with a green worm inside.

My daddy felt ill,
felt ill, felt ill.
My daddy felt ill
with the green worm inside.

It was a **fuzzy** one, a **buzzy** one,
a **great big fat juicy** one.

My daddy felt ill
with a green worm inside.

My daddy he cried,
he cried, he cried.

My daddy he cried
with the green worm inside.

It was a **fuzzy** one,
a **buzzy** one,
a **great big fat**
juicy one.

My daddy he cried
with a green worm inside.
